Citizen Company Store is Proud to Present Frederique Constant

Frederique Constant was established in its current form in 1988. Aletta Bax and Peter Stas launched their first collection in 1992, comprising six models fitted with Swiss movements and assembled by a watchmaker in Geneva. Frederique Constant is involved in all the stages of watch production, from initial design to final assembly. Watches manufactured under its trademark are either designed by Frederique Constant or by independent designers contracted for a specific series of models. Strong emphasis is placed on watch design to keep abreast of trends and customer preferences. Frédérique Constant uses cutting-edge computer software, principally computer aided design software, to assist in the watch design and development process.?
